

William Perkins
KW Integrity

Personal

I am a long-time Lawrence resident and REALTOR® who believes strongly in service, community, and helping others succeed. Outside of real estate, I enjoy spending time with my family, practicing martial arts, studying Japanese language and culture, and homebrewing. I also enjoy being involved in organizations that strengthen our community and provide opportunities for people to learn, connect, and grow.

Career

I have been a REALTOR® with Keller Williams Integrity since 2018, serving buyers and sellers throughout Lawrence and Douglas County.

LBOR / KAR / NAR Involvement

I have been a member of the Lawrence Board of REALTORS®, Kansas Association of REALTORS®, and National Association of REALTORS® since 2018.

I have been actively involved with the Lawrence Board of REALTORS® through committee service:

- Technology Committee — March 2023 to Present
- MLS & Rules Committee — November 2023 to Present
- Forms Committee — March 2024 to Present

Serving on these committees has given me a broad, firsthand understanding of the systems, technology, policies, rules, and forms that directly affect REALTORS® and their clients.

Community Involvement

I believe leadership is best demonstrated through service.

I have worked with various nonprofits to promote fellowship, education, community involvement, and stronger member engagement.

Junior Achievement 2024

I also serve as President of the Lawrence Brewers Guild, a community organization built around education, fellowship, and the shared interest of homebrewing. Member since 2010 Board of Directors Midland Ki Federation 2007 to Present

Education

My education has been shaped not only by formal learning but also by a lifelong commitment to continued education and personal development.

KCKCC 1989-1991

University of Kansas 1992-1995

Additional Information

My committee service has given me an understanding of several important areas of our profession, from technology and MLS operations to rules and transaction forms. These experiences have shown me the value of member involvement and the importance of having REALTORS® at the table when decisions are made.

Listen first. Serve others. Lead with integrity. Leave the organization stronger than you found it.

I would be honored to have the opportunity to bring my experience, perspective, and commitment to service to the Lawrence Board of REALTORS®.
