

### **Victoria Perdue – KW Integrity**

I was born and raised in New Orleans, and my journey led me to Lawrence where I attended the University of Kansas for music education and vocal performance. It was during this time that I met my husband, Randy, a Lawrence native. Our connection to this town was so strong that we decided to make it our permanent home. Over the course of our 14-year marriage, we've become deeply rooted in the community. Not only do we now have both sides of our extended family residing in Lawrence, but we're also raising our 8-year-old daughter and 3-year-old son in this community we hold dear. Alongside this, I am a co-owner of KB Painting, a painting contracting company, and Complete Home Advisors, a real estate team at KW Integrity. Driven by a passion for small business growth and community betterment, I'm enthusiastic about continuing to make a positive impact on the Lawrence community through not only my businesses, but also my work at the Lawrence Board of REALTORS®.
