Name: Heidi Minnis
Company: Stephens Real Estate

I am originally from Rockford, IL but Kansas has been home for the past 16 years. I have worked in various marketing roles in the banking and financial services industry but am happy to have made the jump to full-time Realtor® several years ago. I moved to Lawrence in 2019 and am part of a real estate family. In addition to helping our local buyers and sellers, I enjoy working with my husband building new homes for the Lawrence community. We are often on the job sites with our two young children and truly love the process of watching a home come together. I am honored and excited for the opportunity to run for 1st Vice President to serve our amazing alliance of Realtors®!
