### I. Speaker information:

- a. **The Boom Team:** They are IN for an all-inclusive price of \$5,000. They would like to use some of the topics that they already have prepared so they don't have to come up with new information, which keeps the costs lower.
- b. **Bobbie Howe:** She is in for a price of \$1,500 but if we can bump her up with any sponsorships to show good faith, maybe we can get to \$1,750 or \$1,800.

### II. Sponsorships

- a. Do we have any interest from anyone to become sponsors?
- b. What are the prices of the sponsorships?
- c. What type of sponsorships are we going to offer?

### III. Table sales

- a. What is the cost of tables, and how many are we wanting?
- b. How many attendees will be allowed at each table?
