

Drew Deck
ReeceNichols Preferred

In 2000 I moved to Lawrence to attend the University of Kansas. I started in the Real Estate industry through Property Management in 2009. I transitioned to working for my family's company full time in 2015. I am now a co-owner along with my mother Mary Ann & my brother Derek. My wife Ashlee & I are so excited as we are expecting our first child in October!

We enjoy everything that KU Basketball, Royals, & Chiefs games can bring each year. I feel so blessed to work with my family & so many amazing people in the real estate community here each & every day!
